

All Party Parliamentary Light Rail Group

House of Commons
London SW1A 0AA

Ref: LR Applrg Dec 2011 v.12

“Low cost, affordable & sustainable Trams”

An invitation from

The Tramway Summit

A brief overview by the Chairman
of the Summit
held by Norman Baker MP
Under Secretary of State
30th November 2011

Mr John Leech MP

Chairman Applrg

To a meeting to be held in the House of Commons

1500h – 1700h

Grand Committee Room 6th December 2011

Speakers

Scott McIntosh

A consultant specialising in cost contained light rail & tramways

A student of tramways and light rail for over 40 years. He has been employed in the tramway industry, with both the public and private sector, for the last 25 years. He was London Transport's leader on the highly-successful Tramlink project and has worked on a wide range of systems in Europe and the UK.

He was the co-author of the UITP 'Guidelines on the planning of Light Rail systems' and has published many articles on light rail,

He is currently an advisor to Merseytram on the Wirral Tram project.

“The cost contained way forward for smaller Cities & Towns”

Professor Sir Peter Hall

Sintropher Project Director, University College London (UCL).

“Sintropher aims to revolutionise European public transport services, and the regions they serve, (TramTrain in the Blackpool area by linking peripheral regions seamlessly to the high-speed high-quality corridors that bring them into the hearts of the EU's great central mega-city regions.”

“Sustainable Tram-Based Transport Options for Peripheral European Regions”

Mr Paul Rowen

Regional Officer, External Relations Group, Light Rail Transit Association

Former Chairman of Applrg will consider the implications of the recent Light Rail Report and the Tram Summit and how the next generation of tram schemes will be developed

“The next step for light for Light Rail & Trams”

This meeting by invitation only, where MPs, Stakeholders etc., within the Light Rail industry and invited members of the Public will have a chance to discuss debate and raise questions concerning Light Rail & Trams.
