Southend Pier Train Unveiling

Posted **2nd March 2022**

A Royal Welcome!

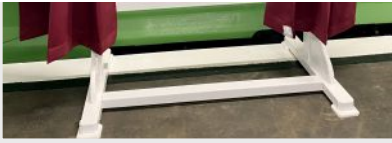

Yesterday marked quite the momentous occasion for everyone here at Severn Lamb, with The Prince of Wales and The Duchess of Cornwall officially presenting Southend Pier's new eco-friendly train to the City.

The train, named after the late Sir David Amess, MP, was unveiled by their Royal Highnesses (TRH), no less than 36 years after Princess Anne, bestowed the same honour on our original pier trains, manufactured back in 1986.

It's our pleasure to have been providing the pier with visitor transportation for all these years and long may the relationship continue.

A full write up will be posted shortly, so be sure to stay tuned for updates.
