Build and Operate Light Rail
Schemes**

About Viaduct

It's not just what we do that's important, it's why we do it!

Now you know why, what exactly do we do...

How do we do it?

What can you do?

Why

Because we are interested

Because we want to help and we can help

Because we should, we all should

Because we need to earn a living!

What?

CAPEX & OPEX

Benchmark

Whole Life Cost

Business Case Support

How?

Listen, understand, confirm

Apply experience

Use the past to help the future

Positive and Honest approach

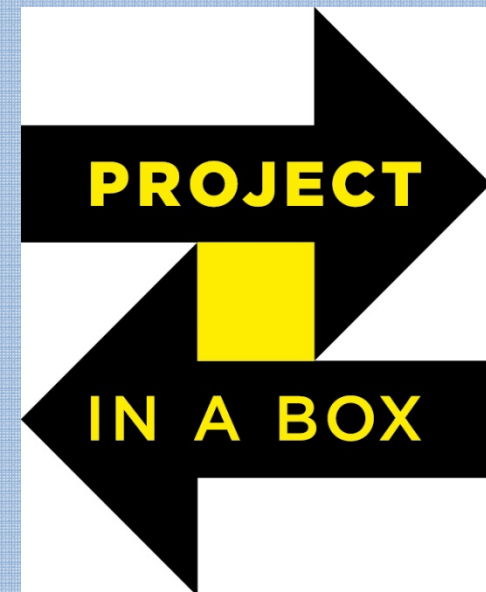

Are we just talking?

Innovation - PCAT

R&D – PiaB

Sustainability - Centro

Where are we going?

WLC – A must for LRT

Valuing Sustainability:

Carbon Capture

What price good health?

Longer Term Planning

Shaping the future

Our View

LRT has a major part to play

Futureproof x2

Engage

Support, Promote, Innovate

Your Part

Don't be fooled (Trade Secrets)

Don't give up (or stand still)

Don't accept the normal

Don't forget the customer

Do What You Can!
